

Supreme Nonwoven — Industries Pvt Ltd

Date : 04.01.12

To,

M/s Gloabtel Convergence Ltd.,
190G, R.K. Building, Khetwadi Main Road,
Mumbai – 004

Kind Attn.: Mr. Rashesh Joshi

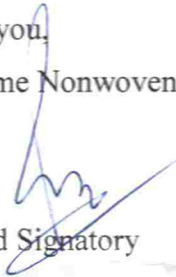

To Whom So Ever It May Concern

This is to state that we had purchased Energy Management System from Gloabtel Convergence Ltd. in November 2007, installed on 23 energy meters. We are getting the desired reports as per our format and all the data are collected/stored on centralized server. Gloabtel team has implemented the system in well defined time frame and had made great efforts to synchronize the system as per our requirements.

This system has helped us in online monitoring, fault finding, analysis and generating various reports etc. We are thankful to Gloabtel team for their efforts made therein for development of system to meet our requirement and for the continued support in maintenance of the system.

Thanking you,

For Supreme Nonwoven Inds. Pvt. Ltd.
